Magic Valley
Young Professionals

The Magic Valley Young Professionals (MVYP) is a group dedicated to building meaningful professional relationships, business and social networking, professional and leadership development, and community and civic engagement. This group of young, forward thinking professionals in the Magic Valley. We want to “**Connect, Develop, Empower, and Engage**”

The MVYP is proud to be part of the Twin Falls Area Chamber of Commerce. An organization providing a voice, vision, and focused leadership to enhance the economic vitality and quality of growth amongst young professionals in the Magic Valley. The Twin Falls Chamber strives to help the MVYP both personally and professionally with development of both business and social networks, enhanced professional leadership development, and in becoming more involved with community and civic responsibility.

Mission Statement... Develop and retain a talented workforce in the Magic Valley by connecting, developing, empowering, and engaging young professionals.

It's hard to figure out ways to navigate the community, grow your network and meet people, develop and grow professionally, and learn more about the unique opportunities the Magic Valley provides.

MVYP members are professionals either new to the area, new to their position or company, or just simply strive for continued growth within their professional life.
